College Transition Seminar

for Deaf and Hard of Hearing high school students and families

Boston Children's Hospital
9 Hope Avenue, Waltham MA 02453
Conference Room A

Sunday, September 24, 2017

2:00 - 5:00 p.m.

RSVP required

Join students and families for our annual college transition seminar. Learn about expectations in college, scholarships and financial aid opportunities, and types of accommodations that may be available.

Refreshments, presentations, and breakout sessions are included.

If you have questions or need more information about the seminar, please contact Katie Prins

McCarthy at

katie.mccarthy@childrens.harvard.edu

Parents of children receiving care through Boston Children's Hospital are welcome. The workshop is offered at no cost thanks to the generosity of the Decibels Foundation and the Caroline Bass Fund.

For more information on the Caroline Bass Fund, or to support future activities and workshops, please contact Katie Prins McCarthy
